

## Converse With A Cheshire Cat

Lady, Oh Lady, Who?  
"Another person that's blue."  
Lady, why not smile?  
"It isn't worth my while"  
Lady, why be sad?  
"All my love he had!"  
Lady is there pain?  
"It's pounding in my brain!"  
Lady are you lost?  
"My heart is filled with frost!"  
Lady why do you cry?  
"Because I tried to die!"  
Lady what price was paid?  
"My blood upon the blade!"  
Lady, how then, do you live?  
"It was too great a price to give!"

Lady...  
"What?"  
Remember that!
