

Seizmo

I'm thru running every ones show,
Got my own ass, don't you know
Call me crazed, or a long eared mule,
Call me conceited, but never a fool.
I'm proud to be the Beak,
A seizmo a fucker, a big hippy freak!
Don't try to change me, or I'll change you,
I'll do all the things, you don't dare do.
I'll make you laugh then make you stare,
I'll scream, fly the bird, an' throw back my hair!
So if you can't party, don't hang around,
Don't need no deadheads bringin' me down!
So if you see me, stay out of my way,
Or you'd better be ready to get crazy today!
